Medal Classes from ALL Horse Show Organizations (USEF affiliates or not) will be eligible to compete in the Zone 10 North/South Medal Challenge Finals. There will be one Zone Championship in Southern California and one in Northern California in the Fall of 2007. Riders do not need to be a member of USEF or USHJA.

There will be two levels of competition offered at the finals. One level, The Mini Medal Championship, will be open to Medal Class

first & second place winners who have never won any medal class with fence heights exceeding 3' at any horse show. The fence height for this competition will be 2'6". The Stirrup Cup Championship, the other level of finals, will be held at 3' and will be open to Jr. & Am. riders that have competed in classes with fences 3' and above, but have never won a 3'6" or higher Medal Class. Exhibitors may only show at one Championship height, but may show in both the Northern & Southern Championships.
