2. Secretary's Report and Treasurer's Report. The minutes were approved as corrected. The treasurer's report was presented with a balance of \$-2,617.55 due to Zone final expenses and YR clinic expenses paid in advance.
3. Committee Vacancy: Greg McDonald was approached and agreed to become a member representing an At-Large Rep. starting in December 2008. Rebecca Weiant did ask Kristin Hull and Kristin declined.
4. Young Riders Clinic. Dana reported that the clinic basically broke even and she then delivered the expenses and receipts.
5. Horsemanship Challenge. Rebecca Weiant reported that there were six entries with pony club kids participating and two entries that participated, but didn't do the jumping section. She then turned in her receipts and expenses.
6. Zone Finals. Mary Kaye reported on the Zone Finals. The show went well, but was a bit long and resulted in a cancelled class. She also presented the Zone Finals cash flow. There are still some outstanding expenses, but preliminary profit/loss shows an approximate \$555.73 profit. This does not include the Horsemanship Challenge.

There was discussion on ways to increase the Finals participation. Some discussion included making the finals an ASH rated show, including Modified Children's & AA classes and moving the show to an earlier weekend especially since it may be that the State Fair Show may be moving up to the first or second weekend in August.

Also discussed was how requirements for reporting are changing and how that affects show management. There was discussion on obtaining Show Management Software that then could be given to show management in order to make it easier for show management to report the results to USEF. The Zone could provide training to show managers on its use.

7. National Hunter Committee. Mary Kaye had received a packet of rule change proposals and would set up links on the website for people to view.

8. Winter Forum. Ideas were knocked around on what to present for the Winter Forum. Sigrun has DVD's that could be presented, a class on course designing utilizing Dog Jumps was mentioned, a braiding clinic, and fashion were discussed. February was mentioned as a possible month to hold it as it seems to work well with people's schedules and budget.
9. New Business. There was no new business.
10. Next Meeting. The meeting adjourned at 9:25 p.m. The next meeting is to be a conference of the full committee and will take place at 6:30 p.m. on Monday, November 05, 2007, with the location being announced depending on Rebecca's office availability.
