3. Committee Members. Mary Kaye reported more committee members are still needed. Mary Kaye had spoken with Lauren Sparaga, but she was unable to due to school. Dana wasn't available to ask about Michael Enz. Joe or Madeline Kornegay was listed as another possibility.
4. National Hunter Committee. Mary Kaye reported that the National Hunter Committee held three meetings. One of the more lively discussions was on the Adult Amateur specifications in all zones were not consistent and should the rules made at the National level with all zones conforming to those rules or allowing Zones to keep their own specifications. The discussion here ranged from making the rules at a National level would keep things consistent and that no more divisions were needed due to low entries. There was also discussion that in letting the National level make the rules would be taking away the Zone's rights to make their own specifications.

Mary Kay had also reported that Crystal Beiland had been replaced by Melissa Plyant and that Melissa had requested information from all the zones regarding meetings and events to assist with communication to members.
5. Awards Banquet. General discussion noted that the Awards Banquet was a success. Rebecca reported that there were 45 members were in attendance. Rebecca also produced a statement on the Awards banquet that showed a profitable balance of \$212.43. It was noted that we haven't received an invoice for the ribbons yet.
