I. Roll Call

Wilson Dennehy opened the meeting and Melissa Pylant performed the roll call.

II. 2nd Year Green Discussion

Mr. Dennehy explained that the High Performance Hunter Committee is discussing leaving the 1st year green division but is interested in hearing what the zones have to say regarding the 2nd year green division. Mr. Dennehy would like the committee to take a vote regarding keeping the 2nd year green division. Of the committee member's present on the call, everyone voted in favor of keeping the 2nd year green division the same.

III. Old Business

Mr. Dennehy mentioned that USHJA did not like the idea from the previous Zone 8 Hunter Committee conference call of splitting the money from the Zone 8 Hunter Budget between the hunter and jumper committees. Instead the money is all going to the hunter committee.

IV. New Business

Ms. Weber informed the committee that Dorothy Rohrbach gave birth to twins on August 3. Mr. Dennehy read an article written for In Stride by his wife Sandy Dennehy. The committee was in favor of submitting it to In Stride.

V. Adjourn

With nothing further to discuss, the meeting was adjourned.

Respectfully Submitted

Melissa Pylant
