

## **USHJA FOUNDATION MAKING A DREAM GRANT PROGRAM OVERVIEW**

### **OVERVIEW**

The Making a Dream Grant offers unique educational opportunities to riders ages 25 and under that are hindered from achieving their dreams in our sport due to limited financial resources. Each grant recipient selects and participates in activities that interest them most from our carefully crafted Dream Experience Menu. All Making a Dream activities are designed to provide a once-in-a-lifetime educational experience in the area of equestrian sport that each rider is most passionate about.

Inspiring young equestrians to pursue their dreams in the hunter/jumper sport is at the heart of the USHJA Foundation's vision. If you meet the eligibility requirements below, send in your application today. If you know someone who would benefit from a positive experience to help them advance in our sport, you may nominate them for this grant.
