- A. Riders, Owners and Trainers must be current Active members of USEF and USHJA before the start of the championship. (see GR202)
- B. Horses must be recorded with the Federation and registered with USHJA to participate in the championship.
- C. **Exception:** Foreign residents and horses and ponies in good standing with their National Federation are eligible to compete in this class but will not receive points unless they follow I.A. and I.B.
- D. The same horse may not compete in the USHJA National Hunter Derby Regional Championship and the International Hunter Derby at the same competition.
- E. Horses entered in this class are not required to show in any other classes at the horse show.
- F. Riders are limited to competing no more than four (4) horses in the championship, however, a competition may choose to further limit the number of horses a rider can compete to three (3) horses, as long as the competition notifies the USHJA sixty (60) days in advance of the date of the class and such limitation is printed in the prize list.
- G. In accordance with HU174.14 the same horse-and-rider combination must compete in both rounds of the National Hunter Derby Championship.
- H. Horses may not be cross entered in multiple sections of the National Hunter Derby Regional Championship.
- I. Attire: Refer to HU107 in the USEF Rule Book for current specifications.
- J. Horses may compete in one (1) regional championship of the exhibitor's choice per year.

II. Judging System

- A. Each section may have the option of having either one (1) or two (2) panels of judges. Each panel will consist of two (2) judges sitting together. One (1) judge on each panel must be a "R" judge, the other judge on each panel may be either a "R" or "r" judge. Each panel will provide one (1) score for each round. See "E" for calculating the Overall Score.
 - 1. All judges must be Federation licensed and in good standing with the Federation and USHJA.
 - 2. No guest cards will be granted for this competition.
 - 3. The judges will be hired by the host competition manager.
- B. No panel may award the same base score to any two (2) competitors in any one (1) round.
- C. The first round shall be judged on performance, hunter pace, jumping style, quality and substance, and movement. After the judges base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Two points per panel, four point maximum.)
- D. The second round shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness, and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Handiness is taken into account in the judges' base score. After the judges' base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one (1) additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Two points per panel, four point maximum.)
- E. Overall Score - The final score from each round (3'0" with 3'5" options) will combined to obtain the overall total for each horse.

III. Tie Breaking Procedures

- A. No panel may award the same base score to any two competitors in any one round unless a competitor's score is below the cut-off score.
- B. Any ties in all rounds will be broken by the base score (before adding height bonus points) of that round.
- C. All ties for overall first place in the class will compete in a jump-off round. In the case of unsafe conditions preventing a jump-off from being held, the tie will be broken using the second round base score (before adding height bonus points).
- D. Ties for other than first place in the overall standings will be broken using the second round base score (before adding height bonus points).
- E. Prior to the start of the class, if two (2) judging panels are used, one(1) panel must be designated as the tie breaking panel for the first round and another panel must be designated as the tie breaking panel for the second round. The tie breaking panel for the first round will also be designated as the tie breaking panel for the jump-off round.

IV. Schooling

- A. During the two (2) rounds of the National Hunter Derby, all horses entered must be ridden in official horse show schooling areas unless Management designates a specific schooling area for National Hunter Derby horses. Riders must wear their horse's Derby competition number while mounted. Additionally, competition numbers should be designated a specific color or visible colored dots on standard show numbers, to better assist stewards in distinguishing National Hunter Derby Championship competitors. This includes horses entered simultaneously in another class, if any. Entered horses ridden or schooled elsewhere on the competition grounds or NOT wearing their Derby competition number will be eliminated from competing in the Derby and the entry fee will be forfeited.

V. Order of Go

- A. The order of go must be posted a minimum of three (3) hours prior to the start of the class. If the Regional Championship class is the first class of the day the order of go must be posted the day before, up to one (1) hour after the show office closes.
- B. In the case of multiple horses being ridden by the same rider, every effort will be made so that there will be a minimum of eight (8) horses (if available) separating multiple rides. All horses must be ridden in the sequence that appears on the jumping order in the first round of the competition. In the second round horses will return in reverse order of their first round scores (lowest to highest). Due to multiple rides or rider conflicts, any rider may elect to move up in the order. Should a jump-off occur, horses will return in the same order in which they competed in the second round.
- C. The draw may be performed by hand or competition management may host a computer draw.
