

2019 World Championship Hunter Rider PA Announcements

WCHR

The USHJA World Championship Hunter Rider Program was founded in 1995 to recognize and celebrate the hunter rider. Since the inaugural World Championship Hunter Rider Professional Finals in 1995, the WCHR program has expanded to include coveted year-end awards for Professionals, Developing Professionals, Amateur Owners, Amateur Adults, Juniors, Children's and Pony riders. We invite you to enjoy this week's WCHR Member Event, and be sure to renew your WCHR membership if you've not done so already at www.ushja.org/wchr.

Capital Challenge

WCHR Program Members qualify for National and Regional Awards by earning points at Member Events held across the country throughout the qualifying year. Points from a rider's top four WCHR Member Events will be used to determine the National and Regional standings. Each year the top ten nationally ranked riders and top six regionally ranked riders in each category come together to compete in the WCHR Finals at the Capital Challenge Horse Show in Upper Marlboro, MD. This year the Capital Challenge Horse show will be held September 30 – October 6, 2019.

Palm Beach Spectacular

1. The Palm Beach Spectacular first debuted in 1997 as an expansion of the popular World Championship Hunter Rider program. The Spectacular was created as a premier Hunter Classic, and is part of the member event series for the WCHR program which culminates with the WCHR Finals at The Capital Challenge Horse Show in October.
2. During the sixth week of competition at the 2019 Winter Equestrian Festival, February 13-18, in Wellington, FL, for the 23rd year in a row, Palm Beach Spectacular exhibitors had the opportunity to display the very best in show hunters on center stage. The event was held on Saturday night under the lights in the International Arena, with professionals, juniors, and amateurs all going head to head in the class. Exhibitors qualified for the Spectacular through their performance during the 2018 WCHR competition year and during Week 6 of the 2019 Winter Equestrian Festival in Wellington, FL. Victoria Colvin emerged victorious aboard Brad Wolf's Private Practice.
3. The event offered an accompanying dinner party with table sales benefiting the WCHR Program.
