Section B Handy Hunter Round will be added together to determine their final overall Section B score. These scores, plus the overall scores of Tier II rider-and-horse combinations competing in Section A, will determine the final overall standings for Section B.

- F. The total scores of each horse-and-rider combination from the Derby Challenge will determine their final overall Derby Challenge score and placing.
- G. A judging assistant must be present during all phases of the competition. The duties of the judging assistant include notifying the judging panels if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.
- H. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence.

IX. Tie Breaking Procedures

- A. Prior to the start of the IHD Championship, one judging panel in each round must be designated as the tie breaking panel. In addition, one of these panels will be designated as the overall tie breaking panel for Section A and Section B.
- B. To determine awards and order of go, if applicable, all ties in the Classic Hunter Style Round*, Section A, Section B and the Derby Challenge will be broken by the designated tie breaking judging panel using the base score (before adding height and/or handy bonus points) for each round.
*In the Classic Hunter Round, only horses tied for 20th place will remain tied and advance to the Section A and Section B Handy Hunter Round. Should more than 20 horses be invited to return, only those tied for the last position will remain tied and advance.
- C. All ties for Overall Section A and Section B IHD Championship Champion (first place) will compete in a Jump-off Round. If a tie occurs after the Jump-off Round, the exhibitors will be named co-winners. Prize money will be divided equally among the tied competitors, but tied entrants must determine the distribution of awards amongst themselves.
- D. All ties for other than first place in the Overall Section A and Section B IHD Championship standings will be broken using the base scores (before adding height and handy bonus points) of the designated overall tie breaking judging panel.
- E. All ties for the Derby Challenge Champion (first place) will compete in a Jump-off Round. If a tie occurs after the Jump-off Round, the exhibitors will be named co-winners, will evenly split the prize money, but tied entrants must determine the distribution of awards amongst themselves.
- F. All ties for other than first place in the Derby Challenge standings will be broken using the Derby Challenge base scores (before adding height and handy bonus points) of the designated overall tie breaking judging panel.
- G. No judging panel may award the same base score to any two competitors in any one round.
