

USHJA International Hunter Derby Championship Format and Prize Money Payout

Rider Ranking System

The USHJA International Hunter Derby Championship uses the Rider Ranking System based on rider earnings in International Hunter Derbies from the past three previous years as of December 1, 2018, to categorize riders into two tiers.

TIER I
Top 40 riders in Rider Ranking System
(Eligible for prize money in Section A or Derby Challenge ONLY)

TIER II
Riders ranked below 40th in Rider Ranking System
(Eligible for prize money in Section A, Section B or Derby Challenge)

How the Championship Works

Classic Score + Handy Score = Section A High Score = Champion

**At the sole discretion of the USHJA, more than the top 20 horses may be invited to return.*
