

USHJA POLICY STATEMENT

Subject: Committee Sponsorship and Donor Development

Policy Number: GA119

Date of Board Adoption: March 22, 2016

Board Approved Effective Date: March 22, 2016

Sponsorship/Donor Development

Committees may not solicit their own sponsors or donors for programs/events without prior consent from USHJA. There may be programs for which fundraising is encouraged; however the proposed process will require prior approval by the USHJA office.

Committee members are not allowed to negotiate or enter into any agreements with donors/sponsors.

If a committee member is aware of a potential sponsorship or fundraising opportunity, they should contact the USHJA Office.
