III. **Judging System**

- A. Each class may have the option of having either one (1) or two (2) panels of judges. Each panel will consist of two (2) judges sitting together. One (1) judge on each panel must be a “R” judge, the other judge on each panel may be either a “R” or “r” judge. Each panel will provide one (1) score for each round. See “E” for calculating the Overall Score.
- B. No panel may award the same base score to any two (2) competitors in any one round unless a competitor’s score is below the cut-off score. A numerical score must be given and may be a duplicate score if it is under the cut-off.
- C. The first round shall be judged on performance, hunter pace, jumping style, quality and substance, and movement. After the judges base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
- D. The second round shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. **Handiness is taken into account in the judges’ base score.** After the judges’ base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
- E. Overall Score - The final score from each round (3’0” with 3’5” options) will be added to obtain the overall total for each horse.

F. Hunt and Go

***Please note this Hunt and Go is judged differently than the International Hunter Derby Hunt and Go.**

Alternatively, the Hunt and Go option may be utilized in lieu of the traditional format. The Hunt and Go format will consist of two (2) phases, one (1) Classic Hunter and one (1) Handy Hunter. The phases will be jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals, off course, etc.) will result in elimination.

1. Standard Hunt and Go Format

- a. The Classic Hunter Round, consisting of seven to eight (7-8) fences with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going.

- b. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. **Riders are not permitted to walk or pause between rounds.** The Handy Hunter Round, consisting of five to eight (5-8) fences with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.
- c. Two (2) judges are required to judge the class. Each judge will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase, in addition to the Bonus points of one point per high option jump that will be added to each judging's score. The scores from each judge will be added together to determine the total score and placement.
- d. A judging assistant may be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.
- e. The Option Bonus Score of one (1) additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.
- f. For the Hunt and Go Format it is recommended that the judge designated to the Classic Hunter phase be the tie breaker.

IV. Tie Breaking Procedures

- A. No panel may award the same base score to any two competitors in any one round unless a competitor's score is below the cut-off score.
- B. Any ties in all rounds will be broken by the base score (before adding height bonus points) of that round.
- C. Unless the prize list states that more than twelve (12) entries are to return for the second round, only the top twelve (12) horses from the first round, after all ties are broken, are eligible to return for the second round.
- D. All ties for overall first place in the class will compete in a jump-off round. In the case of unsafe conditions preventing a jump-off from being held, the tie will be broken using the second round base score (before adding height bonus points).
- E. Ties for other than first place in the overall standings will be broken using the second round base score (before adding height bonus points).
- F. Prior to the start of the class, if two (2) judging panels are used, one (1) panel must be designated as the tie breaking panel for the first round and another panel must be designated as the tie breaking panel for the second round. The tie breaking panel for the first round will also be designated as the tie breaking panel for the jump-off round.

V. Schooling

- A. During the two (2) rounds of the National Hunter Derby, all horses entered must be ridden in official horse show schooling areas unless Management designates a specific schooling area for National Hunter Derby horses. Riders must wear their horse's Derby competition number while mounted. This includes horses entered simultaneously in another class, if any. Entered horses ridden or schooled elsewhere on the competition grounds or NOT wearing their Derby competition number will be eliminated from competing in the Derby and the entry fee will be forfeited.

VI. Order of Go

- A. The order of go must be posted a minimum of one (1) hour prior to the start of the class.
- B. In the case of multiple horses being ridden by the same rider, every effort will be made so that there will be a minimum of eight horses (if available) separating multiple rides. All horses must be ridden in the sequence that appears on the jumping order in the first round of the competition. In the second round horses will return in reverse order of their first round scores (lowest to highest). Due to multiple rides or rider conflicts, any rider may elect to move up in the order. Should a jump-off occur, horses will return in the same order in which they competed in the second round.
- C. The draw may be performed by hand or competition management may host a computer draw.

VII. Awards Presentation

- B. Judges are required to pin to 12th place (plus two reserve placings) for the purpose of awarding zone bonus points.
- C. Ribbons and prize money are required to be awarded through 12th place per the prize money breakdown provided in section X.A.
