CONFLICT OF INTEREST STATEMENT AND ETHICS POLICY

As the Federation Recognized Affiliate representing and governing the hunter and jumper disciplines, the United States Hunter Jumper Association, Inc. (USHJA) must conduct all its activities and business in accordance with the highest level of responsibility and trust owed to its members and the sport. USHJA expects and requires its volunteers and staff to conduct all Association business with integrity and to maintain a standard of ethical conduct consistent with the values, spirit, and ideals upon which the Association was founded.

ETHICS POLICY

Accordingly, the Association requires its volunteers and staff to observe the following Ethics Policy:

- Conduct all dealings with honesty, openness and fairness.
- Respect the rights of all volunteers and staff to fair treatment and equal opportunity, free from discrimination or harassment of any type.
- Know, understand, and comply with the laws, regulations, and codes of conduct governing the business and activities of the USHJA.
- Ensure that all transactions are handled honestly and recorded accurately.
- Protect information that belongs to USHJA, our donors, sponsors, suppliers, volunteers and staff.
- Avoid conflicts of interest, both real and perceived.
- Use USHJA assets and information only for the betterment of the organization and its members.
- Recognize that the appearance of misconduct or impropriety can damage the reputation of the USHJA and act accordingly.
- Maintain the confidentiality of committee business as instructed by the Committee Liaison or Chairman.
CONFLICT OF INTEREST

The Ethics Policy provides a framework of integrity for interactions with or on behalf of USHJA. All Officers, Directors, Staff, Working Group, Committee, Council or Task Force members are expected to be familiar with and govern their conduct in accordance with the USHJA By-Laws, policies and procedures. In addition, for clarity, the following Conflict of Interest definitions and guidelines are provided:

- USHJA defines a conflict of interest as any personal, family, business or financial relationship, whether direct or indirect, which could influence or be perceived to influence objectivity when representing or conducting business for or on behalf of USHJA.
- USHJA defines “family” for these purposes as follows: spouse, parent, child or spouse of a child, brother, sister, spouse of a brother or sister, a cohabiting companion, or any other individuals with a significant familial or familial-like relationship.
- USHJA defines a substantial appearance of a conflict of interest as those circumstances from which others may reasonably infer the existence of a conflict. Because the appearance of impropriety can be just as damaging as actual impropriety, conduct that appears to be improper must be disclosed in order that the USHJA may determine whether such substantial appearance of a conflict is deemed to be a prohibited conflict of interest. For these reasons, an individual must recuse herself/himself from participating in the USHJA activity giving rise to the substantial appearance of a conflict of interest unless and until it is determined by the USHJA that no conflict exists. If such conflict or potential conflict involves a Board member, that director shall not be involved in any discussion of or vote on the issue.
- Each USHJA Officer, Director or Staff member must fulfill his/her obligation to disclose any conflicts by submitting to the Board a description of any circumstance that may be a conflict of interest or be perceived to be such a conflict at any time such circumstances arise or annually. Officers, Directors and Staff members must submit a signed Conflict of Interest Statement and Ethics Policy form prior to the close of each Annual Meeting and are responsible for disclosing to USHJA any changes affecting their Conflict of Interest Statement.
- All Working Group, Committee, Council or Task Force members agree to uphold and are bound by the USHJA Conflict of Interest and Ethics Policy when agreeing to participate as a member of a USHJA Committee, Council or Task Force.
- All Working Group, Committee, Council or Task Force members must disclose any actual or potential conflict of interest prior to the discussion of any agenda item.
