

USHJA Hunters

Management may select up to four section(s) (open, junior, amateur and horses/ponies in their first year of competition over fences at USEF licensed competitions) per fence height per competition. If only one section is offered, this section must be open to all competitors.

Exception: if an open section is not offered for a particular fence height, management may choose a section that is restricted to riders that are eligible as juniors or amateurs.

A horse and/or rider may only compete in one section of the height. No more than two sections may be judged at one time.

Contiguous height sections may be combined if there are fewer than three entries in a class. Heights must be clearly marked.

All sections must be open to horses and ponies.
