

USHJA Zone Election Nomination Form

Zone: 5

Candidate USHJA #: 210391

Candidate Name: Elaine Schott

Equestrian Participation:

I am a trainer who has both hunters and jumpers competing primarily at AA shows. I also have an IEA team who has been competitive at nationals the past two years. I have had the KHJA medal finals winner for the past four years. I introduced USHJA Horsemanship Quiz Challenge program and was very active on this committee for many years. I have produced many successful riders who have National and Zone and KHJA championships over the years.

Governance Experience:

I have represented KHJA as President and a board member for 20 years. I implemented the USHJA Horsemanship Quiz Challenge Program and I was the Vice chairman of the USHJA youth committee for many years. I have served as a Board of Director on the USHJA Zone 5 Committee for 12 years and would like very much to be pro active on this committee for another term. I feel honored to actively participate on our Zone 5 committee which I believe leads the nation with ideas and productivity. Serving Zone 5 is very important to me. I cannot say emphatically enough that I believe Zone 5 is a USHJA template for the other zones and that I enjoy the energy we have in Zone 5.
