

### USHJA Zone Election Nomination Form

**Zone:** 5

**Candidate USHJA #:** 122237

**Candidate Name:** Alice D Kitson

**Equestrian Participation:**

I have ridden since I was 11 years old and have shown at all levels. I have taught girl scout camp and summer camp. I have not ridden in several years due to some health issues and have been pursuing other things. I am a horse show announcer, horse show secretary and USEF Steward and Schooling Supervisor.

**Governance Experience:**

Besides all the above experience I have been a horse show manager and assist many of my horse show managers with the running of the horse shows that I work at. I also act as their liaison to the USEF since I am very familiar with the workings of the USEF. I am also an IEA Steward and have worked in their environment as well. I appreciate all that happens with USHAJ and USEF and would like to become more involved.
