- C. Once a given zone's jumper committee members review the competition host applications, the zone will complete a USHJA zone prospective host document (found on the USHJA website) and send it to the USHJA on or before September 15 of the current competition year, signifying one or more competitions and dates recommended by vote at a zone jumper committee meeting.
- D. A new facility that has not held a USEF licensed competition and/or a new competition in its first year of operation will not be considered to host a USHJA Zone Jumper Team **PJC**.

4. 14 days prior to **PJC**: mandatory Chef d'Equipe conference call to approve team configurations.
5. 10 days prior to **PJC**: athletes are notified of team selection and teammates.

### **XI. Number and Composition of Teams**

- A. When the point standings freeze (for **PJC** purposes) 45 days prior to the start of the competition, the USHJA will issue invitations to qualified athletes, which must be confirmed by the athlete no later than 7 days prior to the start of the competition. All athletes will be placed on a team (if possible), and team members will be notified.
- B. From these lists of entries, the **PJC** teams will use a California Split from the Ranking List, which will determine members for each team.

California Split of Ranking List Example:

Team 1	Team 2	Team 3	Team 4	Team 5
1	2	3	4	5
6	7	8	9	10
11	12	13	14	15
16	17	18	19	20

In the event full four-member teams are not available for each team, the Chefs d'Equipe and USHJA representative will determine, by random drawing, which teams will be comprised of three members. To allow each team to have a drop score, the three-member team will utilize a Designated Point Rider (DPR) system. The DPR will be the rider from each three-member team placed highest in the first individual qualifier. The rider will remain the DPR for day two of the team competition, and their score from the second day will, once again, be the fourth score for their team. In the spirit of fair play, the DPR gives every team a drop score in each round and levels the playing field for teams with three riders.

Should a zone have only five riders in a section, the four highest point riders from the standings will form a team. The fifth rider will be placed on a combined team, if available. Otherwise, the fifth rider will compete as an individual.

**XII. ZONE HOTY CHAMPIONSHIP POINTS**

Platinum Championships: Because the zone HOTY Championship points for this section are awarded to competitors based upon money won, and because the amount offered can vary, the USHJA will assign a minimum amount of money to this championship of \$25,000. Classes offering more than \$25,000 will be capped at 25,000 points thus pointed the same as a \$25,000 class.
