I. Membership and Participation Requirements

- A. Riders, Owners and Trainers must be current Active members of USEF and USHJA before the start of the class.
- B. Horses must be recorded with the Federation and registered with USHJA.
- C. **Exception:** Foreign residents and horses in good standing with their National Federation are eligible to compete in this class. However the points and/or money won will not count for any USEF or USHJA standings or awards unless they are also members of USEF and USHJA, and the horse is recorded with USEF and registered with USHJA.
- D. The same horse may not compete in the USHJA International Hunter Derby and the National Hunter Derby at the same competition.
- E. Horses entered in this class are not required to show in any other hunter or jumper classes at the horse show.
- F. Riders are limited to competing no more than four (4) horses in each class, however, a competition may choose to further limit the number of horses a rider can compete to three (3) horses, as long as the competition notifies the USHJA 60 days in advance of the date of the class and such limitation is printed in the prize list.
- G. Attire: Refer to HU107 in the USEF Rule Book for current specifications.
- H. In accordance with HU174.14 the same horse-and-rider combination must compete in both rounds of the International Hunter Derby.

II. Bonus Points and Awards

- A. In order for International Hunter Derby National HOTY bonus points/money to be awarded, riders must complete the USHJA Exhibitor Declaration Form which must be submitted to the show office by the end of the competition.
- B. National HOTY bonus points/money are awarded to each horse's respective section as declared at the time of entry. Riders may only declare one hunter section (not including Green Conformation Hunter 3'6" and the High Performance Conformation Hunter, per HU167.3) for National HOTY points/money. Only Juniors or Amateurs may declare for the applicable Junior or Amateur Owner section. Horses declared in open sections will be awarded both bonus points and the value of their money won for their declared hunter section, toward the appropriate HOTY standings. III. Enrollment Policy-International Hunter Derby Program

- A. Horses must be enrolled to participate in a USHJA International Hunter Derby. Exception: Exhibitors may show in a maximum of one class in the series year without enrollment. Only enrolled horses are eligible for Regional Awards, to be included on the USHJA IHD Money Won list and to compete in any Derby Championship.
1. Upon enrollment in the Derby Program, horses' earnings, from date of enrollment forward through November 30, 2022, will be included on the USHJA International Hunter Derby Money Won list and count toward Regional Awards. Horses must be enrolled in the program before competing in a Derby, if they wish the money won in that Derby to count toward standings, regardless of the start date of the competition.
 2. Money (and points) won by horses not enrolled in the Derby Program will not be included on the USHJA International Hunter Derby Money Won list or Regional Award Standings.
 3. Owners must declare their horse's region upon enrollment of the horse and the region may not be changed during the Derby Series year.
 4. Owners may choose one region in which to declare their horse(s); the region declared does not have to be the owner's home region.
 5. Regions are generally based on the number and location of Derby Series classes and are as follows:
 - ✓ North Region: Includes Zones 1 and 2.
 - ✓ South Region: Includes Zones 3 and 4.
 - ✓ North Central Region: Includes Zones 5 and 6.
 - ✓ South Central Region: Includes Zone 7.
 - ✓ Northwest Region: Includes Zones 9 and 12, and British Columbia
 - ✓ Southwest Region: Includes 8, 10 and 11.
- B. Annual Enrollment Fee: \$450 and enrollment begins on December 1 of current year.

Horses may only be enrolled online and it is the exhibitor's responsibility to enroll his horse in a timely manner in order to be eligible to receive credit for money won. There will be no exceptions allowed regarding enrollment dates for program eligibility.

IV. Jog Format – Beginning December 1, 2021

- A. All horses entered in the International Hunter Derby class must jog for soundness during the Official Jog prior to the start of the first round in order to compete. The Official Jog must be held within 12 hours of the start of the first round. This jog will be run in a manner similar to an FEI jog.
- B. A horse must be officially entered in the class before it will be allowed to jog.
- C. **Proper attire is required (i.e., riding clothes or proper attire which an exhibitor would wear to compete in a model class).**
- D. All horses must be presented at the Official Jog with their actual competition number and wearing a conventional hunter bridle, including noseband.
- E. The judging panel for the Official Jog shall consist of the competition veterinarian and a minimum of one judge from the judging panels officiating for the class.
- F. The jog surface must be level. Horses shall be evaluated from the side and following consultation with the veterinarian, the decision of the participating judge(s) is final and binding and not subject to further appeal of any kind.
- G. If a horse does not pass the jog; the exhibitor may request to re-present the horse to the judge(s). The judge(s) may decide to allow the horse to re-present at any time up to one hour prior to the start of the class. The vet and one of the judges from the original panel must be present.

V. Stabling/Schooling

- A. All horses competing in the Derby class must be on the competition grounds a minimum of 24 hours prior to the start of the first round of the class.
- B. All horses will be monitored and must remain on the competition grounds until the horse is finished competing in the Derby class. Any horse that leaves the premises prior to completing its participation in the Derby class is disqualified.
- C. All horses must be ridden in official horse show schooling areas unless competition management designates a specific schooling area for derby horses. Riders must wear the horses' competition number while mounted.

VI. Order of Go

- A. The order of go must be posted a minimum of one hour prior to the start of the class.
- B. In the case of multiple horses being ridden by the same rider, every effort will be made so that there will be a minimum of eight horses (if available) separating multiple rides. All horses must be ridden in the sequence that appears on the jumping order in the first round of the competition. In the second round horses will return in reverse order of their first round scores (lowest to highest). When multiple rides occur, competition management will determine a fair separation between horses for the order of go. Should a jump-off occur, horses will return in the same order in which they competed in the second round.
- C. The draw may be performed by hand or competition management may host a computer draw.

VII. Judging System

- A. The Classic Hunter Style Round shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. In addition to this base score, each judging panel must award an Option Bonus Score consisting of one additional point for every higher height option fence jumped. These two scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse-and-rider combination for this round.
- B. The Handy Hunter Round shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. Jumping decorations to utilize a shorter track is **NOT** permissible. In addition to this base score each judging panel must award an Option Bonus Score consisting of one additional point for every higher height option fence jumped and each judging panel must award a Handy Bonus Score consisting of between zero and 10 bonus points to each horse-and-rider combination for handiness of round. These three scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse- and-rider combination for this round.
 - 1. **Suggested Handy Bonus Points**
 - a. **0-3 Points: No increase in pace, few if any inside options taken, lack of brilliance**
 - b. **4-6 Points: Minimal increase in pace, some inside options taken, medium brilliance**
 - c. **7-9 Points: Major increase in pace, multiple inside options taken, strong effort and brilliance**
 - d. **10 Points: Maximum handiness to include major increase in pace, multiple inside options taken, strong effort and brilliance**
- C. The Jump-Off Round, if required, shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. Jumping decorations to utilize a shorter track is **NOT** permissible. In addition to this base score, each judging panel must award an Option Bonus Score consisting of one additional point for every higher height option fence jumped and each judging panel must award a Handy Bonus Score consisting of between zero and 10 bonus points to each horse-and-rider combination for handiness of round. These three scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse- and-rider combination for this round.
- D. The total scores of each horse-and-rider combination from each round will be added together to determine their final overall Hunter Derby score. This score will determine the final overall standings for the class.
- E. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence.

- F. Alternatively, the Hunt and Go option (Formula B) may be utilized in lieu of the traditional format (Formula A). The Hunt and Go format will consist of two phases, one Classic Hunter and one Handy Hunter. The phases will be jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals, off course, etc.) will result in elimination.
1. Standard Hunt and Go Format
 - a. The Classic Hunter Round, consisting of 7-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going.
 - b. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. The Handy Hunter Round, consisting of 5-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.
 - c. Two scores will be given by each judging panel, with one score for the Classic Round and one score for the Handy Round. Bonus points of one point per high option jump will be added to each judging panel's score. The scores from each panel will be added together to determine the total score and placement. Prior to the start of the class one judging panel must be designated as the tiebreaker.
 - d. A judging assistant must be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.
 - e. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.

VIII. Tie Breaking Procedures

- A. Neither judging panel may award the same base score to any two competitors in any oneround unless a competitor's score is below the cut-off score.
- B. **In all formats (including Hunt and Go) Panel 1 breaks the ties for the Classic round/phase, Panel 2 breaks the tie for the Handy round/phase and Panel 1 breaks ties in the overall.**
- C. Unless the prize list states that more than **twelve** (12) entries are to return for the second round, only the top **twelve** (12) horses from the first round, after all ties are broken, are eligible to return for the second round.
- D. All ties for overall first place in the class will compete in a jump-off round. In the case of unsafe conditions preventing a jump-off from being held, the tie will be broken using the second round base score (before adding height and handy bonus points), of the designated jump-off tie breaking judging panel.
- E. Ties for other than first place in the overall standings will be broken using the second round score
